AARP Driver Safety teaches driving strategies that make a difference in your life. Be a part of it.
For more than 30 years, AARP Driver Safety has helped to keep millions of older drivers safe and confident while on the road. Now, you can experience the new AARP Smart Driver™ Course – the latest from AARP Driver Safety.

Learn more about taking the course in a classroom near you or online, or find out how you can help make a difference in your community as a volunteer or host.

It is estimated that the course generates $128 MILLION in annual savings for the older driver marketplace.

97% of course participants change at least one driving behavior as a result of taking our course.
Safety and Savings Go Hand in Hand with the New AARP Smart Driver Course

Our new course is based on the latest driver safety research and insights. When you take it, either in a classroom or online, you will learn defensive driving methods and safety strategies to help refresh your knowledge of the rules of the road. After course completion, you may even be eligible for a multi-year car insurance discount.*

The AARP Smart Driver Course teaches:

- Defensive driving techniques, new traffic laws and rules of the road
- How to deal with aggressive drivers
- How to safely navigate adverse weather conditions
- Expanded information on automobile technology

**In the state of New York, the AARP Smart Driver classroom course is $20 for members and $25 for non-members, and the online course is $25.95 for members and $29.95 for non-members. The additional costs cover fees payable to the New York State Department of Motor Vehicles.
We are looking for volunteers to become part of AARP Driver Safety – a program that helps millions of drivers age 50+ be safer drivers.

Since 1979, our unpaid AARP-trained volunteers have been teaching proven safety strategies to keep their neighbors safe on the road.*

If you have access to a computer, enjoy meeting people and are ready to make a difference in your community, fill out an interest form at www.aarp.org/ADSVolunteer.

74% of volunteers say they continue to serve for the “satisfaction of helping others.”

*All volunteers are reimbursed for approved out-of-pocket expenses related to program activities, such as mileage, parking, postage and long-distance phone calls.
AARP Driver Safety positions available:

- **Instructors:** Give back to your community with a commitment to teach at least 3 classes a year. Organize, promote and conduct AARP Smart Driver classroom courses at your local community center, library, hospital, senior center or other venues.

- **Marketing Specialists:** Promote AARP Driver Safety within your state and local community. Locate potential state-wide classroom host organizations, identify publicity or promotion opportunities and coordinate exhibits at statewide events.

- **Coordinators:** Manage AARP Driver Safety in a district, state or region. Recruit and supervise instructors, complete instructor reviews, plan and conduct instructor workshops, promote the program and work with local host organizations.

- **We Need to Talk Facilitators:** Teach a free seminar designed to help families have conversations with their loved ones about when it’s time to cease driving.

- **CarFit Volunteers:** Become a CarFit Technician or CarFit Event Coordinator and help ensure drivers are safely and comfortably fit in their vehicle, and in control behind the wheel.

**READY TO VOLUNTEER?** Fill out an interest form at www.aarp.org/ADSVolunteer
Over 30,000 AARP Smart Driver classroom courses are taught each and every year. A nationwide network of more than 4,000 volunteers and 14,000 host organizations make this possible. With your help, we can do even more.

**Benefits of hosting:** Participation as a host brings community members to your facility and offers a meaningful opportunity to make a difference in the lives of older adults.

**How you can help:** Hosting a course requires little to no direct cost to your organization. Classes are taught by volunteer instructors, and AARP Driver Safety provides all course materials. The following is all that’s required from you:

- **Classrooms:** Provide a free room for up to 30 participants. Courses can be weekdays, evenings or weekends at your convenience. Course length varies by state, but ranges from 4 to 8 hours given over 1 or 2 days.
- **Equipment:** A DVD player and TV are required.
- **Promotion:** Posters and brochures are provided to help make your promotion successful and easy. We simply ask you to display these materials in visible areas or on your website to help advertise the courses held at your venue.
Coast to coast, AARP Driver Safety has helped millions of drivers stay safe on the road. We encourage you to experience our course, become a volunteer, or open up your organization to host a classroom course. Thanks to all of you, America’s drivers are sharpening their skills and making our communities safer.
